WINSOR BENEFITS & ADVANTAGES

The Winsor "**NO RISK**" contingency hiring program allows you to evaluate talent before you commit to making a hiring decision. Whether your needs are for a temporary basis, a temp-to-hire contingency, or a direct hire, if you are not satisfied for any reason with the caliber of candidate provided call us within the first few hours and we will work expediently to replace that associate.

Winsor is a **FULL-SERVICE DIVERSIFIED STAFFING COMPANY** offering flexible staffing alternatives: hire and lay off personnel to handle peak and slow cycle periods in your production and avoid subsequent costly pay roll burdens, such as FICA, FUTA and SUTA surcharges, Workers Compensation, Garnishments, W2 and similar administration processes and expenses.

Winsor offers **ASSURANCE WHEN IT COMES TO KNOWING AND CREDENTIALING OUR STAFF**. We maintain comprehensive HR/Personnel file on all our candidates to confirm worker eligibility, employment/background references checks and criminal/felony/fingerprinting profiles and reports, social security traces, drug and alcohol pre-hire, random testing and post-accident testing when called for.

Call Winsor today. Ask to speak to a staffing professional about our services, and have a consultant identify all the options available to help augment your staffing and hiring requirements at an affordable price.
